

COINERZ COOKIE POLICY

COOKIES AND THE ONLINE TOOLS

- 1.1 A cookie is a piece of data stored on your browser or device by websites, applications, online media and advertisements containing non-personally identifiable information about you.
- 1.2 The Online Tools use cookies to distinguish you from other users. This helps Coinerz provide you with a good experience when you use the Online Tools and also allows Coinerz to improve the Online Tools.
- 1.3 Coinerz does not use cookies to collect information about individual user behaviour on the Online Tools.
- 1.4 Coinerz uses the following cookies:
 - 1.4.1 **Strictly necessary cookies** – these are required for the operation of the Online Tools (including cookies that enable you to log into secure areas);
 - 1.4.2 **Analytical / performance cookies** – these are used to understand how users use the Online Tools and for Coinerz to improve them, e.g. cookies that enable us to understand how you are using the Online Tools features;
 - 1.4.3 **Functionality cookies** – these provide functionality that help Coinerz deliver its services, e.g. cookies that help you log in by pre-filling fields, cookies that enable Coinerz to personalise its content for you, greet you by name, etc; and
 - 1.4.4 **Targeting cookies** – these cookies are used to test which online content and offers are more relevant to users by for e.g. recording your access to the Online Tools, the webpages you have visited and the links you have followed.
- 1.5 Please see **Annex A (Coinerz Cookies)** for further details of the cookies used on the Online Tools and their purposes.

THIRD PARTY COOKIES

- 1.6 Coinerz allows carefully selected third parties to place cookies via the Online Tools, as contemplated in Clause 1.9 and as detailed in Annex A.
- 1.7 These third-party cookies track your use of the Online Tools by collecting anonymous statistics.

1.8 Coinerz does not have access to or control over these cookies. Please consult the respective privacy policies of these third parties.

1.9 To learn more about how third parties use these cookies:

1.9.1 users based in the United States should visit aboutads.info; and

1.9.2 users based in the European Union should visit youonlinechoices.eu.

COOKIE BLOCKING

1.10 You may block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies.

1.11 Please note that if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of the Online Tools.
